School of Visual Arts – Computer Art BFA (NYC, 2006)

Kitty has over 10 years of experience in 3D animation and visual effects, specializing in cinematography, editing, cinematic staging (layout, previs), character animation and set design. Just finished "Passengers" and "Transformers: The Last Knight", she is currently working on "The Lion King" as layout lead. Super passionate about films and music, Kitty is also a live-action music video and fashion video director who had worked along side with pop icons and acclaimed fashion designers in Taiwan. Always fascinated and always curious, she will keep challenging herself and pushing the boundaries as her thrilling journey unfolds.
